Do chit No 93 of the 19th June 1878 from the Commr, Nandidroog Dn

---

With his Do chit noted in the margin, the Commr, Nandidroog Dn submitted for sanction a statement recommending that Jodi and quit rent amounting to Rs 38-6-8 may be written off the accounts on account of certain Inam lands taken up for the water supply project. The Commr was requested to report what arrangements were made to compensate the Inamdars &c: for the loss of their Inam lands. In reply, the Commr Dn submits a statement shewing the amount of

of Compensation fixed for the lands in question, and states that the Jodi to be struck off the accounts is Rs 34-10-2 and not Rs 38-6-8 as previously reported.

2. From the statement now submitted, it appears that the lands taken up consist of Service Inam lands of Totis, Chuttrams Jodi &c; and that the Compensation ~~to~~ in money for them amounts to the large sum of Rs 9092-14-0. When Service Inam lands are taken up for public purposes, the practice is to grant other lands of Equal Value and Jodi to the Inamdars in Exchange for their lands and not to purchase them by payt of compensation in

3

in money, as the Service Inams have been granted for the maintenance of the Service. The Commr may therefore be requested to report why the grant of lands in Exchange to the Inamdars was not recommended in the present case, and why the quit-rent of Jodi is proposed to be struck off the accounts.

Approved. A. Thomson 6

The proposals for the Commr appear unobjectionable

W. F.

3. The foregoing orders were communicated to the Commr in the C. C. Proc: No. $\frac{2902}{5-8}$ of the 16th July 1878.

4. With reference to the

the above, the 3rd Asst. Commr Bangalore Dist. submitted the marginally noted correspondence to the Dy Commr shewing that the Compensation granted to the Inamdars whose lands were taken up for the Bangalore water supply project, were only for the improvements made by them on their Inam lands but not for the lands themselves, and stated that one of the Inamdars has been cast the rest were being provided with other Inam lands equivalent in value to those of which they were deprived, and that the cases of those Inamdars who were unwilling to take up the lands were under Enquiry by the Asstt.

of the Asst Comrs letter above recited, the Dy Comr stated that the selection of fresh land appears to have been left to the Inamdars themselves and of these one Shamboy has selected a land and has been put in possession of the same and the rest have not as yet done so. The Dy Comr further states that the quit rent or Jodi proposed to be struck off the accounts is for that portion of land of the Inamdars taken up by Govt and the remission is only temporary until the Inamdars are put in possession of land in Exchange. The amount of compensation in money is reported to be Rs 9101-2-0 and not 9092-14-0 as shewn in the C.C. Proc^gs, the difference of Rs 8-4-0 is explained as noted in the Margin. The Compensation may be sanctioned. It should however be borne in mind that the Collr has in many cases allowed lands to be held free of assessment which have since become valuable building sites, such as must have become available during the past 2 years, in Exchange for lands of inferior value. The Company compensation of 1000 in such cases must not exceed the amount of 1877-78, & no further loss of land in occupancy lands in Compensation by the Govt

8. The foregoing orders were communicated to the Commr in this Office Proceedings No 4605/107 of the 14th Sept. 1878. With reference thereto the D.C. Commr Bangalore District submits[x] for sanction a statement of lands to be granted in lieu of the Service Inams taken up for the Bangalore water supply project, together with an alienation statement for the same, and states that the 3rd Asstt Commr has been written to, to settle the lands to be granted for the Sheri Inams and forward a statement, which he says will be submitted when received. The Dy Commr states that the lands assigned in the statement now submitted are in accordance with the assessment of the resumed lands, and not with the

This objection is of course inadmissible.

Nundydroog Division

Sir,

With reference to your No. 467 of the 22nd Ultimo forwarding copy of the Chief Commissioners Proceedings No. 2905 R. 68 of the 16th Idem on the subject of compensation paid for the service Inam lands of Sokei & taken up for the Bangalore Water supply Project, I have the honor to report that the compensation paid to the Inamdars in the present instance is for the improvement they had made on their Inam lands, but not for the lands themselves as will be observed in the accompanying copy of docket No. 36 of the 9th Instant from the 3rd Assistt. Commissioner Bangalore.

2. Fresh lands equivalent to the Inam lands taken up have not as yet been granted to all the Inamdars.

3. From the papers submitted to me by the 3rd Applicant — Commissioner the selection of fresh land appears to have been left to the Inamdars themselves and of these one Bhagoji has selected a land and he has been put in possession of the same, the rest have not as yet done so.

4. The quit rent proposed to be struck off the accounts is for that portion of land of the Inamdars taken up by Government for public purposes and the exemption is only temporary until the Inamdars are put in possession of land elsewhere to make up the original extent.

5. The amount of compensation in money is Rs. 9101-2-- and not 9092-14-- as shewn in the Proceedings under reference, the difference Rs. 8-4-- is explained in the memo hereto annexed).

6. The detailed statements of compensation paid have been forwarded with all the Vouchers to the Dy Accountant General.

Has the honor to submit the marginally noted papers in original to be kindly returned when no longer required / from which it appears that the confirmation granted to the Inamdars whose lands were taken up for the Irrigation Works lately projected were only for the improvements made by them on their Inam lands but not for the lands themselves. One of the Inamdars has been and the rest are being provided with other Inam lands equivalent in value to those of which they were deprived.

2. The Cases of those Inamdars who are unwilling to take up the lands provided are under enquiry by the Munsiff

Docket No. 93 of the 19th June 1878 from the same submitting a statement shewing the amount of compensation paid to the owners of the Inam lands taken up, ~~215~~ Rs 9092-14-0, and stating that the Jodi to be struck off the accounts is Rs 34-10-2 and not Rs 38-6-8.

letter from the Dy Commr Bangalore Dist. furnishing particulars regarding Compensation paid to the holders of the Inam lands in question, and stating that the amount of Compensation in money is Rs. 9101-2-0 and not Rs. 9092-14-0 as already reported, and that fresh lands equivalent to the Inam lands taken up have not as yet been granted to all the Inamdars.

Order thereon — The Statement of Compensation as now revised, is Sanctioned; but Considering the time that has Elapsed since the lands were taken up for the water Supply works, there would seem to have been much
